HOOF BATH & BEYOND

*A footbath additive with a unique
blend of proprietary surfactants
including lavender*

IT GETS THE JOB DONE!

*A proprietary blend of surfactants and emollients with a hint of Lavender!
Cleans the foot, removes manure and conditions the skin.*

*Now the hooves are ready for a foot bath with **COPPER ADVANCED OR COPPER SULFATE!***

*You will notice the “BLUEST” feet you have ever seen while maintaining “HOOF HARDNESS”.
Dramatic improvement in your **HOOF HEALTH** in 3-4 weeks!*

DIRECTIONS

1.28 ounces per gallon of water

We recommend that **HOOF BATH & BEYOND** be used in concert with **COPPER ADVANCED**.

COPPER ADVANCED recommended dose is 2 ounces per gallon of water
