Precautions for safe handling

Normal handling consistent with good manufacturing practices

Conditions for safe storage, including any incompatibilities

Storage Keep from freezing.

Section 8: Exposure Controls/Personal Protection

N/A

Section 9: Physical and Chemical Properties

Boiling Point	NA
Vapor Pressure	NA
Solubility in Water	NA
Specific Gravity	NA
Melting Point	NA

Evaporation Rate NA

Appearance and Color Red Ointment

Section 10: Stability and Reactivity

Stability

Stable

Section 11: Toxicological Information

Not toxic

Section 12: Ecological Information

Not known to be hazardous.

No potential health effects identified.

Not toxic

Section 13: Disposal Considerations

Waste treatment methods

- **Product waste** Dispose of content and/or container in accordance with local, regional, national, and/or international regulation
- **Packaging waste** Dispose of content and/or container in accordance with local, regional, national, and/or international regulations.

Section 14: Transport Information

Special precautions for user

Keep from freezing.

Section 15: Regulatory Information

N/A

Section 16: Other Information

Last Revision Date

11/23/2015

Preparation Date

11/23/2015

Disclaimer/Statement of Liability

The information contained herein is believed to be accurate but is not warranted to be so. Data and calculations are based on information furnished by the manufacturer of the product and manufacturers of the components of the product. Users are advised to confirm in advance of need that information is current, applicable and suited to the circumstance of use. Vendor assumes no responsibility for injury to vendee or third persons proximately caused by the material if reasonable safety procedures are not adhered to as stipulated in the data sheet. Furthermore, vendor assumes no responsibility for injury caused by abnormal use of this material even if reasonable safety procedures are followed. Any questions regarding this product should be direct to the manufacturer of the product as described in Section 1.
